FROM THE EDITOR

Welcome to Glevum Park this afternoon everyone and welcome to all our visitors, notably the players, management team, committee and supporters of Mangotsfield United FC.

We are on a reasonable run of form, which is nice to be able to say, but this will be a very tough game today. Both Muzzy and Booner have referenced Mangotsfield's good form in the season to date, made all the more impressive because all their games have been played away from home, as their pitch has been converted to 3G (or is it 4G?!?), although it will be ready for games very shortly, as I understand it.

Thinking of our visitors' run of away games, as well as our own progress past the half-way point of the league programme (by the first Saturday in November, nonetheless!), as well as the expanding number of 3G/4G pitches in the league caused me to reflect on how the fixtures are scheduled in the UHlsport Hellenic League.

We are on course to finish our season in the first week of March 2025. Cup competitions might extend our season, but our improved drainage (which is the second improving feature for teams with grass pitches at this level) means postponements might be kept to a minimum. Mangotsfield are due to finish that same weekend and their chances of postponements extending the season are slimmer than our own, given their move to an all-weather surface. Most sides have already completed 17+ league games, so all are currently on track to finish at that stage of the season. Surely that isn't good for the game?

There is a careful balance to be struck between what used to be common (four games each week in the final weeks of the season, for example) and having the season finish too early. Clubs like ours rely on income from Saturday football above other income, so I certainly hope we don't see the season end too prematurely. Our victory on Tuesday evening has at least added one more game to our season!

Here's hoping for another good afternoon today. It promises to be a very tough game, so we need to be at our best if we are to get points from this particular fixture.

I hope everyone enjoys the game. Safe travels home.

- Neil

FROM THE CHAIRMAN

Good afternoon and a warm welcome to Glevum Park. Welcome to all the players, coaches, committee and supporters of our opponents today, Mangotsfield United. I'd also like to extend that welcome to today's match day officials.

Today's opponents have had a really positive start to the season, only losing once so far, which becomes even more impressive when they have had to play all of their games away from home due to their ground being redeveloped. I'm looking forward to seeing the completed works when we visit in January.

I've been really pleased with the way the last three results have panned out with three wins from three, from two league fixtures and a County Cup victory on Tuesday night. What has impressed me most is the performances of some of our younger squad members, particularly Ellis Clifford, Harley Mustoe and Corey Warrington.

It was a very close vote for our Molson Coors October Player-of-the-Month between Harley and Corey, who have both been fantastic, especially over the last 5-6 weeks. For Corey to step up to this level after playing in the Stroud League and Northern Senior League prior to that makes it more impressive and he is learning from the senior players and management team. A huge congratulations to Corey on securing the Molson Coors prize and for three consecutive man of the match awards.

If you haven't seen my previous articles, just to confirm that the extension at our community social club has now opened. We've held a few events already and had some great feedback. The 1929 Suite is now available for hire both weekdays and weekends. If anyone has any enquiries or would like to discuss this further, please email gm@tuffleyroversfc.co.uk.

I hope you enjoy the game and hospitality here today and have a safe journey home.

Thanks

- Dan Boon

PROUD SPONSORS OF THE UHLSPORT
HELLENIC LEAGUE FLOODLIT CUP

TUFFLEY ROVERS CLUB HISTORY

The late Donald E Hall founded Tuffley Rovers FC in 1929. The Club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City Of Gloucester. The Club started its playing life in the North Gloucestershire League. Senior XI Championship honours include that of the North Gloucestershire League and Stroud and District League (4 times) and in 1987/1988 the Club were Champions of the Gloucestershire Northern Senior League and gained promotion to the Gloucestershire County League.

After two seasons of consolidation the Club won the County League Title in 1990/1991, their application to join the Hellenic League was successful and they were accepted into Hellenic Division One. Progress continued as in the 1992/1993 season Rovers were Champions of Division One and also Division One League Cup Winners and after promotion competed in the Premier Division of the Hellenic League from 1993/1994, regularly finishing in the top half of the table. The 1998/1999 season saw Tuffley win the Norman Matthew's Floodlit Cup defeating Carterton Town in the final. Whilst the Club enjoyed this success, the 2nd XI and 3rd XI also gained promotion and championship honours. The 1998/1999 season saw the 2nd XI win the Northern Senior League and reach the finals of both the County Cup and League Cup, unfortunately losing out on both occasions. Promotion, however, was not possible as reserve teams were not allowed at that point to enter the Gloucestershire County League and progress further up the pyramid system.

The Club continued to thrive in the Hellenic League and managed to win the Floodlit Cup again in the 2002/2003 season defeating Brackley Town over two legs in the final. However, the ever-changing ground grading requirements, if the club was to remain in the Hellenic League, and the financial strain these improvements imposed on the Club forced Tuffley Rovers to make the decision to withdraw from the Hellenic League in 2005 and settle for local football in Gloucestershire.

After a difficult start Rovers were crowned champions of Division 2 of the Northern Senior League in the 2005/2006 season and were promoted to Division 1. After a slow start the team put together a consistent run and managed to claim the Division 1 Title as well as win the GFA Senior Amateur Cup and reach the final of the Reg Davis Memorial League Cup.

A return to the Gloucestershire County League followed and the club finished a very creditable 4th place (2007/8) but the summer of 2008 saw a number of senior players retire. Over the next few seasons, an evolving squad finished 11th, 3rd, 6th and 3rd in the County League, before the 2012/13 Season marked an improvement for the club. After challenging for league championship honours all season, the club couldn't quite maintain the form to secure the title, finishing second. However, this was enough to gain promotion to the Hellenic League Division One (West) for the 2013/14 season.

On their return to the Hellenic League, The Rovers saw a season that witnessed some turmoil – including the departure of manager, Doug Foxwell – to record a decent sixth place finish and some good cup results. This was followed up with the Runners'-up spot in 2014/15 and promotion back to the Hellenic Premier Division, exactly ten years after they had withdrawn from the League.

The first season saw a struggle against relegation, ultimately resulting in the resignation of Warren Evans as manager, before the club retained their status due to a vacancy in the league, after finishing 17th. Mark Pritchett was then appointed as Player/Manager and took the side to consecutive 10th placed finishes, before a 15th place finish in 2018/19. Two pandemic affected seasons then passed, with Pritchett leaving the club part-way through. Rich Cox took over as Manager for a single season, but resigned midway through 2021/22 after a disastrous run of results. Former Manchester United player Neil Mustoe then took over, steering the club away from danger (finishing in 17th place).

Mustoe achieved an 18th place finish at the end of the 2022/23 season, his first full campaign, before achieving a healthy 14th place in 2023/24, with a much improved squad.

FROM THE MANAGER

Good afternoon and welcome to Glevum Park to all players, management, officials and supporters from Mangotsfield United.

After our last Hellenic League game here, against Cirencester Town, which ended in defeat, we have had two very good wins away, and got back to winning ways at home on Tuesday with a good result against local rivals Brimscombe & Thrupp in the Gloucestershire County Cup.

Whilst being comfortable on Tuesday, we were not at our best but were able to rest a few players on the hour and give vital minutes to others, who have not featured so regularly. The downside was that we also picked up a few knocks and we are left with the position that it is likely we will need some fitness tests today to see how they are.

Our visitors today, Mangotsfield United, are in a rare situation where they have not yet had a home game, which is due to their pitch being converted to 3G. Despite that they are well-placed, with the start they have had, and they may have an advantage towards the season end with a long run of home games. That they have lost only once so far, during all those away games, tells me this is going to be a tough afternoon and we will need to be at our best in all areas.

In our last three games we have scored eight and conceded once so we should be confident going into the game and hopefully we get another positive result to build on this season's total of 27 points, which if you had offered me this many points at this stage after our first game of the season I would have taken it! We are ticking over nicely, off everyone else's radar.

Today is another opportunity to show what we are capable of.

Thank you all for your support. Enjoy the game.

- Muzz

UNUSED SUBSTITUTE

TUFFLEY ROVERS AFC

Luke Merchant **Goalkeeper**
Club captain who returned to the club in the 2022/23 season, after a Hellenic League Premier Division title winning season at Bishops Cleeve. A great shot stopper, commanding presence and accomplished keeper. Holds the club record for Hellenic League appearances as a keeper.

Robin Hoffland **Goalkeeper**
Now a long-serving player, despite his age, who acts as a capable back-up to Luke Merchant in goal, whenever needed. Has played for the club's 1sts, 2nds, 3rds, 4ths and 5ths, as well as the U18s and always gives his all. Reliable, in a word.

Macaulay Herbert **Defence**
Begins this season as our longest-serving member of the squad. 'Macca' came through our U18s and is solid and dependable; an excellent defender who has been getting better with every season that passed. Has made over 290 first team appearances, despite several injuries punctuating each season. On course to reach 300 appearances this season.

Josh Stevens **Defence**
Development Squad player of the season in 2023/24; broke into the first team squad during pre-season, putting in some excellent performances in central defence. Tall, strong in the air, solid in the tackle and capable in possession, this could be the season when he steps up into first team football.

Tawana Chang **Defence**
Recent addition to the squad, after signing from Hartpury University, and an attacking full-back. Deceptively quick but very comfortable on the ball. Previously had trials for Southampton and played for the English Colleges Association.

Elijah Simpson **Defence**
Player under Neil Mustoe at Gloucester City U18s and recently signed from Brimscombe & Thrupp and a great addition to the squad. Comfortable on the ball when in possession, shows a turn of pace, and good defensively. A key signing for this season.

Mark Pritchett **Defence**
Tasted Hellenic League title winning success at Bishops Cleeve. Previously at Rovers as Player/Manager before stepping away from the role in 2021/22. Offers a no nonsense, uncompromising, good old-fashioned performance in every game, and a threat in the opposition box.

2024/25 PLAYER PROFILES

Ellis Clifford **Defence**
Came through the U18s squad, after joining from Gloucester City's youth set-up. Made a breakthrough last season and amassed 14 appearances at left-back. Very promising youngster who will be looking to be a regular in 2024/25.

Ollie Hambling **Defence**
Young defender who has progressed well with our U18s and recently made the step-up into the first team squad, albeit as an unused substitute. He is seen as a good prospect. Definitely one for the future!

Sammie Hicks **Defence/Midfield**
Now in his fourth season at the club, after spells at Gloucester City and Cinderford Town. Injuries have hampered his progress but he remains a reliable and very versatile member of the squad, capable of filling in at full-back, in midfield or in the No.10 role.

Harley Mustoe **Defence/Midfield**
A member of this season's U18s squad after joining the squad late in 2023/24, Harley has gained experience playing County League football for Harwicke. Now holding down a regular first team spot. Most comfortable in midfield but has played at full-back and looked very accomplished.

Callum McGuirk **Defence/Midfield**
Signed from Longlevens in 2022, where he'd largely been used at full-back, he is a hard-working midfielder, who looks comfortable on the ball. Played academy football during his earlier years, including a spell at Bristol City. Was originally with the Rovers, where he featured in our U18s squad.

Liam Smith **Midfield**
Has Southern League experience. Calm in possession and possesses a good passing range, whilst also physically strong, will be looking to hold down a regular place in the side, after three injury hit campaigns. Offers experience and capable of dropping into the back four when needed.

Corey Warrington **Midfield**
Signed during pre-season after excelling at Northern Senior League side Tredworth Tigers during 2023/24. A highly energetic midfielder who likes to get on the ball; he's ambitious and could be an excellent addition to the squad for 2024/25, although an injury in pre-season could limit his immediate progress.

TUFFLEY ROVERS AFC

Dean Turner

Midfield

Another new signing and a great addition to the Rovers fold. Southern League experience with Slimbridge and then spent several seasons at Brimscombe & Thrupp. Combative, communicative, hard-working, great positionally and a leader. Just what we needed to add to our midfield!

Kieran Alder

Midfield/Forward

Returned to the club in 2022/23, after spells with Cinderford, Bishops Cleeve and Worcester City; and overcame injuries to return to his best. Gifted No.10, whose work rate is as noticeable as his work on the ball - a creative player. Previously with Neil Mustoe's U18s at Gloucester City reunited at Rovers.

Tyrel Roberts

Forward

Another player to come through from the U18s and then through the Development Squad, Ty is an old-fashioned centre-forward who never gives the opposing defence a break and has been a regular scorer in his time in the club's junior sides. Another player for whom this could prove to be their breakthrough season.

Karnell Chambers

Forward

Experienced at a higher level, this is a player who Neil Mustoe was delighted to sign in November 2023. Previously at Gloucester City, Hungerford Town, North Leigh, as well as a spell overseas, and is a goalscorer equally at home wide or in the middle. Finished 23/24 as top scorer for the first team; added the threat that Rovers have needed.

Yeshaya Lomotey

Forward

Powerful striker who joined in 2021/22 after spells at other local clubs, including Slimbridge and Cinderford Town. Offers quality on the ball and packs a powerful shot that is a potent weapon. Will be hoping to contribute more goals to secure a regular place in the side.

Connor Walters

Forward

Wide player who joined from Gala Wilton in 2023/24. Strong and full of trickery, he had a fantastic start to his first season and contributed goals, as well as being a threat to opposition defences. Works hard for the team.

Riley Bourne

Forward

Under 18s player who graduated from our U16s last season. Quick, skilful, with an eye for goal, age is no impediment for this confident lad.

2024/25 PLAYER PROFILES

Brad Bevan

Forward

Signed from Fairford Town last season. Incredibly hardworking, tenacious, a real team player. Runs all day and although not a prolific goalscorer has been a good signing, who regularly contributes a goal. Can play wide or down the centre.

Jamie Creed

Forward

Signed on a dual registration basis from County League side Gala Wilton, a bit of an old fashioned striker – tall, good with his back to goal and already a regular goalscorer. Still only 17 (and only just!) he is attached to Gloucester City, too.

Hubert Zatorski

Forward

Recent signing, joining from Newent Town, making a late debut in the entertaining 3-3 draw with Highworth Town. Looking to make a mark at Step 5 after starting at Kidderminster Harriers, before spells at Worcester Raiders and Bewdley Town.

Neil Mustoe

Manager

Appointed as Manager in January 2022, took the club away from relegation fears in 2021/22, before successfully battling against relegation in 2022/23. Spent many years as a professional at Manchester United, Wigan Athletic, Cambridge United, Stevenage and Yeovil Town, before over 350 appearances for Gloucester City. Previous coaching experience with City before a spell away from the game until his appointment with The Rovers.

Liam O'Neill

Assistant Manager

Appointed as Assistant Manager in 2023, after a spell as Manager at Frampton United. Still in the formative stage of his coaching journey but offers great support to Muzzy and is an important presence in the first team set-up.

Mike De-Bear

Physio

New for 2024/25 and a great signing off the pitch. Has experience working at EFL clubs and is already making a great impression.

Alex Butler

Coach

Joined in 2023/24 after previous experience in local football. Mr Reliable and a really positive influence in the dressing room on match-days.

Tim Hall

Coach

Previously been at Longlevens. Knew Muzzy and Ken Blackburn from his time with Gloucester City and is a great character. A keen cyclist, who also has an interest in classic cars.

Appearance information

Up to and including Tuesday, 5 November 2024
(includes selected list of former players)

We thought today, with this being our second game in a week, we'd merge our Quiz and Appearance information pages, to create a quiz around player appearances for Tuffley Rovers! A quick run through three questions just to ensure those who love the quiz don't miss out in today's edition!

1. On Tuesday night there were three former Tuffley Rovers goalkeepers, none of whom were in the Rovers squad. The three keepers aren't in the list below. Can you name them?
2. Callum McGuirk recently brought up his 100th appearance for the club, but also has the somewhat unwanted statistic of being our highest outfield appearance maker without a goal. Who is second in the list (since 2007) without a goal, having made 42 outfield appearances between 2019 and 2022?
3. Karnell Chambers moved to joint tenth place in our all-time goal chart, scoring his 26th and 27th goals for the club on Tuesday, having overtaken Jake Rhodes last weekend. 'Who' were Jack and Karnell both tied with prior to Tuesday's game?

NB: The figures are correct for all league competitions from season 2007/08, when Tuffley Rovers returned to the County League (Step 7) and include all competitive games since the start of the 2013/14 season. There are some gaps in the information relating to cup games prior to the start of the 2013/14 campaign. This period is currently subject to a thorough review and there may be some variation to statistics in due course.

Quiz answers: (1) Billy Thomas and Harry Victor were in the Brimscombe squad, with Eric Edge (Assistant Referee) the third former keeper; (2) Own goals; (3) Own goals!

MANGOTSFIELD UTD

A BRIEF HISTORY

The 2024/25 season will be Mangotsfield's third season playing at step 5 following 22 seasons as a Southern League club, which includes the voided 2019/20 and 20/21 seasons. After thirteen seasons in the "Pitchin In" Southern Football League Division One South previously finishing 9th in 2009/10, 3rd in 2010/11, (but losing the play-off semi-final, 1-3 to Frome Town), 14th in 2011/12, 13th in 2012/13, 11th in 2013/14, 10th in 2014/15, 14th in 2015/16, 8th in 2016/17, & 16th in both 2017/18 and 2018/19, following the 2 year "Covid gap" Mangotsfield finished 18th (out of 19 teams) in 2021/22 and were automatically relegated into the Hellenic League Premier Division.

There has been football in the village since 1888 and four years later, Mangotsfield FC became a founder member of the Bristol & District League (later to become the Western Football League in 1895) but the club folded after 10 years. From 1898 until the 1950s, Mangotsfield FC was disbanded and subsequently reformed on several occasions. In January 1951, the parent club dispensed with the Reserve X1 for financial reasons leaving many local players without a team to play for. These players decided to form a new club in the village and at the start of the 1951-52 season, the newly-established Mangotsfield United FC was entered into the Bristol & District League, Division VII. They achieved five successive promotions and gained entry to the Bristol & District Premier Combination in 1957. The club remained there until 1972-73, when it was accepted in to the Western League.

The Club became established in the Western League during the 1970's and despite being relegated to the first division in 1981-82, "The Field", as they were affectionately known, bounced straight back the following season and under the guidance of the charismatic Ralph Miller, who as Chairman, undertook the task of improving the ground and its facilities, became a force in the Premier, mainly featuring in the leading positions.

In 1991, the club, managed by Harold Jarman and assisted by Terry Rowles, achieved regional glory by taking the (then) Great Mills League Premier Division title, ahead of runners-up Torrington. Disappointingly, they were denied promotion to the Southern League as the ground failed to meet the grading requirements and there followed several lean seasons as the team disbanded. Under newly-elected Chairman Richard Davis, however, off the pitch, things were improving.

Terry Rowles returned to manage the club himself in 1995 and kept them in the spotlight by consistently finishing in the top three/four in the Great Mills/Screwfix League and an appearance in the FA Vase semi-final (losing to Clitheroe), but their ambitions of promotion and Southern League football were always thwarted by the continual success of Taunton and Tiverton Town. It was

considered very important to establish a sound working base, improve ground facilities and secure a long-term tenure on their Cossham Street ground.

In earlier years, the Roger Pullin / Richard Davis partnership had seen many improvements take place, with the installation of Conference-style floodlights and at the end of the 2003/04 season, the Cossham Street end of the ground was covered, together with new toilet blocks and social club improvements. Ex player Andy Black returned to the club as Manager in 1999 and guided the club to promotion to the Dr. Martens Southern League and three successful campaigns. The 2003/04 campaign did not go too well and just before Christmas, Black was replaced by Martyn Grimshaw. Towards the end of the campaign, Nigel Webb came in as his Assistant, but the club could only finish in 13th place, which was not high enough for the planned re-structuring of the Pyramid.

The Management duo made promotion their priority in 2004/05 and the club headed the table for most of the campaign, eventually taking the Division One West title with a 21 match unbeaten run. After 28 seasons at Western League level, the club had spent just five campaigns at Southern League level before reaching the Premier Division. In April/May 2005, Roger Pullin left the club and Mike Richardson took over as Chairman, with a new Board. As detailed at the start of this article Mangotsfield enjoyed life in the Southern League finishing most season's around mid table, but had struggled financially during the last few years.

Sometimes now referred to as "The Mangos", the 2020/21 campaign, started with Glyn Ashton, at the helm. He had previously been in charge of the U18s Floodlit Youth side, but took over as temporary Manager in 2019/20, after the sudden departure of Manager Ollie Price, and bought in almost his entire U18s squad. Glyn Ashton returned to his role of managing the U18/Reserve team for the 2021/22 season as Ray Johnston, along with assistant Terry Moore, took over the first team management role but Glyn returned to the hot seat following the departure of Ray and Terry following some disappointing performances and results. The club, however, were unable to "avoid the drop" finishing in 18th place in a league of 19 teams.

In the summer of 2021/22 Chairman Mike Richardson was replaced by Steve Brown, a new committee was formed, and with a new commercial team in place the club started to enter an exciting new era in it's history.

With Glyn Ashton taking over (once again), following the short managerial spell of John Allen and Josh Bruton, "The Field" eventually managed to finish in 11th place in the Hellenic Premier Division in their first season at that level. Last season an expected higher finishing league place was not achieved as the team finished in 13th place, albeit in a much stronger season.

Following a few years hard work behind the scenes the management committee finally got the news that funding and planning permission for a 3G pitch at Cossham Street had finally been granted. Work started on the ground in early July and it is hoped that the new facilities will be ready for the beginning of November.
